Dear PRECIOUS LIFER:

The Annual Precious Life Banquet/Breakfast is behind us, and we are off and running for 2018! We raised over \$50,000 gross/ \$35,000 net! That's a great start! We welcome our new monthly contributors who pledged at the Banquet/Breakfast.

This year's budget will top \$550,000. We will be hiring some individuals and changing job descriptions in order to better prepare for the future. Mr. Branden McGarvey will be added as an Associate Director, focusing on the Concession business for now. We added our Bedford volunteer, Sherri Peeler, on a part-time paid basis. We added Jodi Boyd to assist Janelle in our Johnstown office, in order to handle their increased client load, and we hired Larry Lazer as a one-day-a-week maintenance guy, in order to help maintain our four buildings!

Our Romania commitment continues to grow. We have added a Purity Presenter in Dej. We now fully fund three Purity Presenters and a Counselor inside of the abortion clinic at the Maternity Hospital in Oradea. In May we will be taking a Construction Team to start the exterior walls of the Gypsy Medical Clinic!

We see our work growing both here and in Romania. Every day, we are directly ministering to over 30 clients, not including hundreds of students in Purity classes. We now employ over 13 full and part-time personnel. While that is an awesome responsibility, we serve an awesome God!

All aspects of our ministry seem to be hitting on all cylinders! While the financial side seems big, the needs of our clients are the most important thing! I am so grateful for the great counselors, house parents and support staff that we have! Every day, they meet our clients, offer positive alternatives to abortion, assist with needs and provide clear, practical and Biblical direction for our girls' success.

This is only possible because of you. Your monthly/quarterly gifts are the backbone of our financial support. Thank you for all you do for Precious Life, and may God richly bless you!

Yours for LIFE,

Scott
